Thank you for taking the time to answer our Which L Word Character Are You Quiz!

Please look through the following for your results :

Mostly As

You are Carmen de la Pica Morales!

The hottest cast of The L Word (in our opinion!), Carmen, played by Sarah Shahi, is the smoking Latina DJ. She is honest, patient, dignified and forgives easily. However most obviously during her relationship with Shane, she was frequently insensitive and jealous. She also dated Jenny briefly, using her to stay close to Shane. "You're too little to be a piñata but how about the top of a tranny wedding cake?"

Mostly Bs

You are Shane McCutcheon!

Portraying the sultry, smoky-eyed character Shane is Katherine Moennig. Shane was a hairdresser, former prostitute, underwear model and former co-owner of Wax skateboarding shop and boutique in the L Word. She has undying devotion to her best friend Jenny, and unfailing loyalty to her other friends, her love for her brother and her desire to make everyone happy. However she keeps falling back into self-destructive patterns and self-medicates with sex and drugs. Shane is rumoured to have slept with a little over 960 women in her lifetime.

"Liquor in the front, poker in the rear!"

Mostly Cs

You are Jenny Schecter!

The emotionally fragile writer Jenny is creative, brave, fluent in French and strong minded. Played by Mia Kirshner, Jenny was a former waitress, stripper and movie director. Fiercely loyal to her close friends, especially Shane. When she first saw Shane having sex with a girl in Bette and Tina's pool next door she was shocked, fascinated and turned on by it. Prone to fainting.

"No more twat. No more twat for me! Twat gets me in trouble!"

Mostly Ds

You are Alice Pieszecki!

Creator of The Chart, journalist and co-host of The Look. Leisha Hailey plays Alice, the former radio DJ with a unique fashion sense. She has the ability to set aside personal grievances when it really matters and is proud of being gay and not afraid to speak up about it. Her mother is the only member of the family who accepts Alice's sexuality. Alice is estranged from her siblings, as well as her father, whom she simply describes as distant. "You like to dress girls for the same reason I like to undress them."

Mostly Es

You are Bette Porter!

Playing the dominant type A art curator Bette, is Jennifer Beals. Bette dated guys until she realizes she was gay in college, with her coming out affair involving an Art Grad student at her university when she was an undergrad. She is sometimes controlling, self absorbed and can be quite destructive. However Bette is also loyal to her friends, highly educated, amazingly beautiful and knows what she wants and sticks to her convictions.

"God it's repugnant, I can't believe I used to swallow that stuff."

Mostly Fs

You are Max Sweeney!

Max is hard working and is good at what he does. Daniela Sea portrays the girl-slash-boy that starts using testosterone and begins to transition throughout the episodes as his personality changes drastically as he has very emotional and often violent outbursts, which Jenny gets the brunt of. However he pulls through most crises without a hitch and is very insightful about human relationships. He is also loyal and brave, standing up for what he believes even at his own personal expense.

"If you think men are the enemy, then you and I have a problem."
